

ARE YOU STRUGGLING TO DEVELOP & RETAIN YOUR TECHNICAL STAFF?

Netmatters can offer a solution through the Skills Bootcamp, a part-government funded training course over 16-weeks that will equip your staff with a strong foundation of skills in web/software development.

This course is the perfect chance to bridge your team's technical skills gap whilst offering them the chance to develop skills that may previously have not been possible.

</> WHY TAKE ADVANTAGE OF THE SCHEME?

- ✓ Equip your staff with in-demand web/software development skills to provide your business with the capabilities needed to thrive in our digital age.
- ✓ Reduce your reliance on recruitment, upskill your current staff and grow your business from within.
- ✓ Remote learning – no internal training resources required.
- ✓ Government grants mean you will only need to pay 10-30% of the course costs.
- ✓ Invest in your staff to retain them.

FLEXIBLE SCHEMES THAT WORK AROUND YOUR STAFF

Courses can either be undertaken full-time or part-time (minimum of 60 hours to a maximum of 16 weeks), with all coursework details accessible 24/7 through Netmatters own administration system. This means that your staff can fit the coursework around their own work/life schedules, making progress when it best suits them.

LEARN FROM THE EXPERTS

Netmatters' development tutors have vast experience delivering innovative, dynamic web development/software solutions both internally, and for clients, making them the perfect resource for your staff to learn from and develop. Regular one-to-one sessions ensure that each course member is being mentored, but also monitored to ensure that they are getting the support they need to take the most from the scheme.

RETAIN & GROW YOUR STAFF

Showing this kind of investment in your staff will help you build for the future using the skills of tomorrow. Develop long-term employee satisfaction that will help you keep your top talent and continue to grow as a business.

With the course being available for anyone over 19 years, you also have the opportunity to invest in your more senior staff, giving them opportunities they may have thought were long gone.
